Optimal Experience

[If your asset is a website, customize the following example language]

[DHSCC.COM] is best used with the latest version of any of the primary web browsers: Chrome, Firefox, and Safari. Our site is designed to be compatible with common assistive technologies including screen readers (e.g., JAWS, NVDA, VoiceOver), speech recognition software, and alternative input devices.

[DHSCC.COM] may not display optimally in Internet Explorer or older browsers.

[If your asset is an app, customize the following example language]

[DHSCC] is designed to be compatible with assistive technologies and [iOS/Android/iOS and Android] devices from the last ten years.

[DHSCC] may not display optimally in older devices.

Commitment

[DHSCC] has taken multiple steps to ensure the accessibility of our online experiences:

- [DHSCC] has retained [COMPUTERS R US / Consultant] as an independent third-party specialist to provide consultation on how to implement and improve accessibility.
- [DHSCC] also engages in interval audits, web page scans, and testing by professionals with disabilities to continually assess and improve the accessibility of [DHSCC.COM].
- [DHSCC] further invests in training on accessibility for our digital team to ensure our web content personnel, developers, designers, and other team members are knowledgeable and follow best practices for accessibility.
